# On Demand Waste Collections

Flame UK, part of the Flame Business Services Group is one of the UK's largest independent management companies within the waste and recycling markets, helping businesses across the country to manage their waste and recycling responsibly and cost effectively. At Flame 365 we offer our "man in a van" for all year round clearance services. Our same day service is invaluable and is quick and

alternative solution to skip hire or transporting waste to the local tip. Our nationwide service teams can collect anything from single item to full clearances. We collect and recycle your unwanted items in a professional manner from households to commercial clients, allowing you to rest assured of responsible disposal.

## Why choose Flame UK?

Flame UK is one of the UK's leading independent waste and recycling, energy and utility management companies. With over 35 years of expertise and support management with some of the UK's biggest and most recognisable businesses from high street to shopping centres, schools to universities, logistics to manufacturing..... Flame UK service them.

We offer a fully mapped and integrated service individually tailored to our customers needs whilst ensuring full compliance and environmental impact is met.

Flame UK has a comprehensive service portfolio and a national network of partners enabling services to be carried out in compliance with government legislations. Our dedicated team will help to bespoke your commercial needs to make it simple and less time consuming for you, leaving you time to concentrate on running your business.
