# Event Waste Management

Flame UK, part of the Flame Business Services Group is one of the largest independent management companies within the waste and recycling markets, helping businesses across the country to manage their waste and recycling responsibly and cost effectively. At Flame UK we love events. No matter the size or location of your chosen venue our tailored and bespoke approach will give you full peace of mind. From small indoor events to multi-day festivals catering for tens of thousands of people, we know how important the surrounding environment and hygiene really is. We offer pre, during and post event services to

which we guarantee the satisfaction that the venue will look the same as when you arrived. Our team operate day and night throughout the year alongside event staff to assist in delivering a truly great event. Our team of in-house account managers are equipped with vital industry knowledge which allows us to quickly and effectively assess your specific requirements whilst reducing the impact on the environment. From supplying of bins to litter pickers to toilets, Flame UK services can offer full coverage of your event.

## Why choose Flame UK?

Flame UK is one of the UK's leading independent waste and recycling, energy and utility management companies. With over 35 years of expertise and support management with some of the UK's biggest and most recognisable businesses from high street to shopping centres, schools to universities, logistics to manufacturing..... Flame UK service them.

We offer a fully mapped and integrated service individually tailored to our customers needs whilst ensuring full compliance and environmental impact is met.

Flame UK has a comprehensive service portfolio and a national network of partners enabling services to be carried out in compliance with government legislations. Our dedicated team will help to bespoke your commercial needs to make it simple and less time consuming for you, leaving you time to concentrate on running your business.
